## Praise Report

*"Praise the name of the Lord; Praise Him, O you servants of the Lord! You who stand in the house of the Lord, In the courts of the house of our God, Praise the Lord, for the Lord is good; Sing praises to His name, for it is pleasant." (Psalm 135:1-3)*

Greetings to the esteemed and holy brethren of PAWI Trinidad and Tobago. In our North East Trinidad District (NETD), we possess a myriad of reasons, especially this year, to express gratitude. God, the great provider, continues to manifest His presence, even when natural means seem lacking. Despite the challenges of our times and the diminishing resources of the world, we are thankful to God, who can do more than we ask or think—hallelujah!

First and foremost, on behalf of the NETD, we extend heartfelt thanks and praise to God for sustaining our pastors, credential workers, and their families. Their faithful labour of love over the past year is truly commendable. We also celebrate God's healing touch on those who were afflicted.

We extend our praise to God for the dedication of all the churches in our eight zones, ensuring that the *"fire of prayer"* continues to burn on our altars. As the NETD prayer coordinator, I express gratitude for the believers who answered the call to prayer throughout the year.

We commend God for the success of the zonal crusades and the unwavering commitment of our departmental leaders. The invaluable service they provide is truly appreciated. We also thank God for the wonderful fellowship of the saints, with our sports and family day, which was a particularly epic event.

Lastly, on behalf of the presiding Bishop, Dr. Melch Pope, and the entire executive, we offer praises to our God for the diligent efforts of our hard-working District Executive officers and office staff. They went above and beyond the *"call of duty"* to ensure the efficient management of affairs, all for the glory of God!

Merry Christmas to all!

Prosper and Prevail!
